

St. Kendeas Prays for Healing for the Sick

Read Dr. Chrissi Hart's book *Under the Grapevine*. It is the story of one miracle of St. Kendeas which happened under a grapevine on the island of Cyprus.

Do you know anyone who needs St. Kendeas' prayers so that they can be helped or healed? If you could bring someone under the grapevine to meet him, who would you bring, and why?

Draw the person in this seat under the vine, or write a short prayer for them in that space. Then take a moment and ask St. Kendeas to pray for the person. He will do it!
